NATIONAL PRESIDENT

MARKEITH WILLIAMS

Greetings family to the 113th Williams-Locke family reunion. It is an honor and a privilege to be named your new National President. I am the son of Harold Williams and the grandson of Willie R. Williams. My mother is Loretta Smith and I have a beautiful wife of 11 years Brenda.

As National President, my mission is to carry the torch and keep the dream alive. I wish to empower our young people to keep the banner going and to then "Pass It On" to their children. I'm sure you would agree 113 years is no small feat! I cannot tell you any other family who has this rich legacy. I am proud to know our Williams-Locke loved ones who are now in glory are smiling down saying we've come this far by faith and yet we are still Passing It On!

We have so much talent and education within our family. It's a pleasure to see our youth work towards their future. That is where our scholarship and youth programs come into play. We must ensure we are preparing our newest generation for what is to come. We want them to continue to grow spiritually and financially. So, I ask you to please continue to support our national programs as often as you can.

Thank you for the opportunity to serve you. If you have any questions, concerns, suggestions, or even complaints, please let me know. I stand on the shoulders of those who have done this before. I pray that my principles of being as concise and clear as possible will allow me to make my duties as your National President successful.

Now, with that being said, I hope you will find a family member you do not know, make a connection and keep in touch with them. Next year, you will see how far you've come and then be ready to start that process all over again.

Remember in all things, always find the time to have fun, and Pass It On!

Thank you,

Our Family Poem

The Williams-Locke family tree
is where pure love abounds.
Our roots are planted
in rich fertile ground.

We enjoy the rays of sunshine
and endure the days of rain.
And when a leaf falls from our tree
together we share the pain.

God gave us the gift of our family
to treasure, love and cherish;
and didn't intend at life's end,
that our family bonds would perish.

Our ancestors are counting on us
to continue these traditions
Remembering to keep God first
will always be in our vision.

Pass It On

Hello Family,

It's with great pleasure that I sincerely welcome you to the 113th Annual Williams-Locke Family Reunion. This year's theme is ***Built Strong Our Legacy Lives!*** The William-Locke family is built on a strong Christian foundation. Our unique bond has proven to endure the test of times. To experience our family's love is truly unmatched.

Admittedly, this weekend is one of my favorite times of the year. Like most, family reunions mean so much to me. I can remember being a little girl watching both my grandmother and mother prepare for this annual gathering. It was a big deal back then and remains the same until this very day.

The Maryland Chapter has some exciting activities planned for all to enjoy. Keeping God at the helm of our rich family legacy, I pray that you enjoy this weekend to the fullest and continue to create new memories to **PASS IT ON!**

Lovingly,

Chonita

Maryland Chapter President

WE PASS IT ONE! WE PASS IT ON! WE PASS IT ON!

Williams-Locke Family Song

PASS IT ON

It only takes a spark to get the fire going
And soon all those around can warm up in it's glowing;
That's how it is with God's love; Once you've experiences it
You spread His love to everyone;
You want to **Pass It On.**

CHORUS

I'll shout it from the mountain top
I want my world to know;
The Love of love has come to me
I want to **Pass It On.**

II

What a wonderous time is spring when all the trees are budding
The birds begin to sing; The flowers start their blooming
That's how it is with God's love; Once you've experienced it;
You want to sing; it's fresh like spring
You want to **Pass It On.**

III

I wish for you my friend; this happiness that I've found
You can depend on Him; it matters not where you're bound
I'll shout it from the mountain top; I want the world to know;
The Lord of love has come to me
I want to **Pass It On.**

EXPERIENCE MARYLAND

It's All Here

Welcome to the Baltimore, Maryland! Experience the reward of a fulfilling visit and enjoy the added element of excitement in a vibrant, diverse atmosphere. There's a contagious energy in the air here that some call addictive. Look in any direction and you'll find something to pique your imagination – eye catchers including the Chesapeake Bay, historic landmarks, shops, and restaurants of every size and description. And that's just for starters!

Baltimore is a major city in Maryland with a long history as an important seaport. Fort McHenry, birthplace of the U.S. national anthem, “The Star-Spangled Banner,” sits at the mouth of Baltimore’s Inner Harbor. Today, this harbor area offers shops, upscale crab shacks and attractions like the Civil War–era warship the USS Constellation and the National Aquarium, showcasing thousands of marine creatures. Tucked away on this historic street are dozens of restaurants, shops, bars and art galleries, offering shoppers plenty of options to choose from no matter what you’re looking for. Visitors will also find a handful of cafés, ice cream parlors, a bookstore, and souvenir shops.

Enjoy!

Congratulations

Williams-Locke Family on your 113th Family Reunion!

*Your Grands were born so you could be here
They started your life, let's make that clear.*

*Your Grands are the key to your very being
They are all-knowing as well as seeing.*

*Some Grands can make you laugh when nothings funny
Then give you a big hug and say, "it's alright honey".*

*Grands were gifted the foresight to tell when you lie
So why not save yourself and don't even try.*

*Yes, God gave them these special love powers
They will listen to your nonsense for hours.*

*You know Grands are second parents in your life
They've learned to live by faith and not by sight.*

*Grands deserve a special place in your heart, it's only right
Don't forget to say I LOVE YOU to them tonight.*

*Grandparents don't need to be diamonds if they are already pearls
Congratulations on being the best Grands in the world!*
